Participation awards—see below

Moving on award—this is worn by Scouts who moved up from subs

World badge—sewn in the centre of the pocket

Participation awards:

This badge is to denote how many years they have been in Scouting.

If the Scout came up from cubs then they should wear the last badge worn in cubs (usually the 4 badge) - note only one badge, not all 3 worn in cubs

Then each year we will add more badge to the shirt, so by the age of 14 they could be wearing the 4, 5, 6, 7 and 8 badge

New entrants will get their first '1 year' badge on the anniversary of joining the Scout section and will add a further badge each year, so by the age of 14 they could be wearing 1, 2, 3 and 4
