

# Main Shirt pre-2009

Union flag badge:

The union flag badge is worn by any Scout who has been on an international camp.

So **Holland campers** will get one.

It is to be sewn on above the challenge badges (and above the silver/gold award if this is present).

Silver award from Cubs  
OR Gold award (not  
both and definitely no  
Bronze awards)

Up to 9 challenge badges

Participation awards—  
see below

Moving on award—this is  
worn by Scouts who  
moved up from subs

World badge—sewn in  
the centre of the pocket

## **Participation awards:** Prior to 2009:

This badge is to denote how many years they have been in Scouting.

If the Scout came up from cubs then they should wear the last badge worn in cubs (usually the 4 badge).

Then each year we will replace this with the next year badge, so by the age of 14 they could be wearing the 8 year badge.

New entrants will get their first '1 year' badge on the anniversary of joining the Scout section and this will be replaced on each subsequent anniversary, so by the age of 14 they could be wearing the 4 year badge.
